

Delivering the in-bay future you deserve!

An industry first, the Saber™ touchless automatic features the Saber Navigation System™ illuminated dual wash arms with RGB color changing LED lights. The LED lights flash **GREEN** to encourage customers to 'pull forward', **BLUE** for 'back up', and **RED** so they 'stop' for washing. This patent-pending technology helps drivers confidently and quickly position their vehicles in the wash bay.

The Saber™ by Belanger is a commitment to your in-bay success. Designed for rapid and sustained return on investment, the Saber™ is 'Wash and Dry Ready' with standard features that include Auto-Resetting Breakaway Arms, DuoDry™ system, triple foam pods and complete solution delivery system. Priced at **\$76,445.00**, the Saber™ equips you to win!

Features & Benefits:

Saber Navigation System™ —

Features illuminated dual wash arms with RGB color changing LED lights to help drivers confidently and quickly position their vehicles in the wash bay

DuoDry™ System —

Provides both drive-thru and on-board drying, for maximum throughput and menu package flexibility

Timeless Dry™ —

Simultaneously dries the vehicle as your optional RO system rinses it clean for faster throughput

Auto-Resetting Breakaway Arms —

Reset themselves automatically in case of accidental vehicle strikes, maximizing wash bay uptime

XR Triple Foam —

Dedicated triple foam pods maximize the 'show' and provide complete coverage for this popular extra service option

Complete Solution Delivery System —

With dual presoaks, triple foam and two wax applications, the Saber™ equips operators to wash cars profitably

High Vehicle Output Software —

Applies chemical in either direction, and enables the operator to eliminate the 'butterfly' action of the arms on select passes, to increase throughput

Successes In Car Washing:

"The Saber puts out a cleaner car than our rollover ever did - and our customers really enjoy using it! Everyone gets their car in position, on the first try. Best of all, I never have to come reset the wash!"

— Todd Hoskins, Miracle Car Wash
